## WORK EXPERIENCE

### Teacher in a High School

Kanchanaphisek Wittayalai Chaiyaphum

2021 - 2022

- I have been a teacher Python to students for about a year. I teach the basics, the functioning of the language, basic arithmetic operations, and how to use the language. I covered topics such as using variables, for example ,  $x = 1$ ,  $y = 2$ , and  $c = x + y$ . Additionally, I teach the language using flowcharts, teach the language using flowcharts, and I covered input, process, and output

### Extracurricular Activities

Khon Kaen University

23 March - 25 March 2018

- Give and Take Agile for Software Development for Academic at Khon Kaen University by Siam Chamnankit Co.,Ltd., Thailand
